Donna Rivera Burnham	1407 E Hawk Way	Dburnham@gmail.com	(801)789-3550	-	I am currently serving as district chair as Becky Pirente had to resign. Four years ago I served as district chair and our team successfully trained all precinct officers and delegates, gave delegates an opportunity to meet candidates, and pulled off a successful caucus meeting. This caucus meeting was the best attended in our history and I would like to continue drawing large numbers to our neighborhood caucus.

Joshua Alden Daniels	397 Cinnamon Cir, Saratoga Springs, UT 84045	J.Alden.Daniels@gmail.com	801-234-0676	-	I am a lifelong republican and have held a number of positions in our party. I have served as a state and county delegate multiple times, as a precinct officer, precinct chair, as an elected member of the state central committee, and as a state and chapter officer in the College Republicans. I have both worked professionally on a number of campaigns as well as volunteered on many more. I have served in my community and church. I also served in the US Marine Corps for 8 years including a combat deployment to Fallujah Iraq in 2007. My vision for our legislative district is to increase both caucus and voter turnout in order to boost our share of county delegates while educating and empowering these voters with the principles of our party platform. Thank you, Josh Daniels

I spend a lot of time following the issues both locally & nationally and do my best to encourage people to talk about these issues in a productive way. Anna Maria Standage	592 W Chappel Valley Loop	amhstandage@gmail.com	801-766-2584	-	Since moving to Utah nine years ago I have recognized what an amazing system of local government we have here. The caucus system is the best way for us, as citizens, to have a voice, to watch over our freedoms, to influence our representatives and government officials, and to stay informed on the issues facing our state. My concern is that we are taking the caucus system for granted. We almost lost it last year during the legislative session. And I think the reason is because there are too many of our neighbors who do not understand how the caucus system works or how they can participate. I would like to be involved at the Legislative District level to train and support the precinct leadership in reaching out to everyone in their precincts. I truly believe that the changes we want to see in Utah can happen if we are all informed and do our part. And that starts in the precincts.
